

Who invests in a stewardship company and how to do it?

Professor Jan Andersson
Stockholm University

Long time ago research project concerning non-profit insurance company

Similar problem, for instance if it want to expand?

Why invest?

Return?

callable capital, guarantee capital

Creative solutions (Unfortunately I dont have one)

Debenture loans – return? (subordinated)

In Swedish ”förlagsinsatser”

- Capital as such – different issue?

Titre participifis – interest + premium income (here profits or business as such)

Les titres participatifs sont une forme d'obligation hybride perpétuelle dont le coupon est indexé sur des facteurs économiques (chiffre d'affaires ou profitabilité de l'entreprise par exemple).

titre participatifs
Securities

Voting rights etc?

Legislation + tax issues

Maybe inspiration economic
association
